**Make & Take mini workshop - Mug Bag**  
**Sunday – 6 OCT 2019 NPCC STUDIO C**  
1:15 – 4:15

**Objective:**

To make a small drawstring bag for a mug or other use.  
Use up scraps and orphaned blocks  
Use scraps of batting  
Have fun and go home with a finished project!

**Materials List:\***

- Orphaned blocks, scraps, jelly roll strips etc – enough to make a block 8" x 16"
- Scraps of batting approx. 9" x 17"
- 2 pieces of fabric 30" x 1" (draw string)
- 1 piece of fabric 8" x 20" (lining)
- \$3 (to cover studio rent)

Bring your sewing machine, thread and walking foot or free motion foot for quilting. This will be a great opportunity to try machine quilting on a small item. You could use variegated thread – it will look great. I'll bring my collection if you don't have any.

\*Don't worry if you don't have orphan blocks or scraps, or batting – you can dive into the Chez Telfer Stash and help yourself

Open to EQG members and members of the community – bring a friend.
